## **SINGING SENIORS/PIANIST WANTED!!!**

Our volunteer Jane Mundro has started a fun singing group called the Singing Seniors. After only 4 practices, they sang publicly for the first time at September’s Talent Show! Jane is compiling old time standards and making the words readable; if you have any favorites that you want to hear or sing, please let us know on Tuesdays at Noon in Stretches.

The Group needs a **pianist** to help keep them on tune; not particularly a professional concert pianist but even someone who can play just the melody with the right hand would do! Or, the group would be open to someone who knows how to record or choose pieces off of CD’s to sing to. We all just want to sing to the best of our ability along with some accompaniment.

Please join us on Tuesdays at Noon in Stretches! Thank you; see you there!
